## SUMMARY

Chicago based UI/UX designer with a proven track record of crafting intuitive and visually appealing user interfaces, delivering seamless digital experiences for a variety of audiences.

## DESIGN WORK EXPERIENCE

### UI/UX Designer

Agilant Solutions, Inc. // November 2023 - Present

As a UI/UX Designer, I am spearheading the design of a robust ticketing system application, while also crafting a comprehensive design system for a suite of apps. Additionally, I leverage my creativity and expertise to deliver engaging digital experiences for esteemed clients, including Fortune 500 Companies.

### Jr. UI/UX Designer

November 2023 - Present

In my role as a Jr. UI/UX Designer, I actively contributed to crafting engaging digital experiences for clients, assisted in designing components for our suite of apps, and contributed to the creation of marketing materials such as emails and flyers.

### Digital Design Intern

Advocate Aurora Health // June 2022 - March 2023

As a Digital Design Intern, I supported the design of web pages for Advocate's website and created additional components for web and mobile platforms. Additionally, I contributed to the design of social media posts for the social media team, enhancing Advocate's online presence.

### Graphic Design Intern

FP Mailing Solutions // May 2019 - September 2019

In my role as a Graphic Design Intern, I specialized in creating diverse marketing materials including flyers, direct mailers, postcards, and emails. Additionally, I actively participated in organization-wide meetings to present and refine my design concepts, contributing to cohesive and effective visual communication strategies.

## ORGANIZATIONS

### Chicago White Sox Creator Club

Chicago White Sox // March 2024 - Present

As a member of the program, I am generating engaging content and amplifying the team's brand across digital platforms.

### Scholar Athlete Advisory Council

Judson University Athletics // October 2021 - December 2022

As the Softball Representative, I actively contributed to improving the sports experience on campus and provided valuable insights for enhancing various aspects of the athletics department.
